

Aga Khan Education Board for Kenya

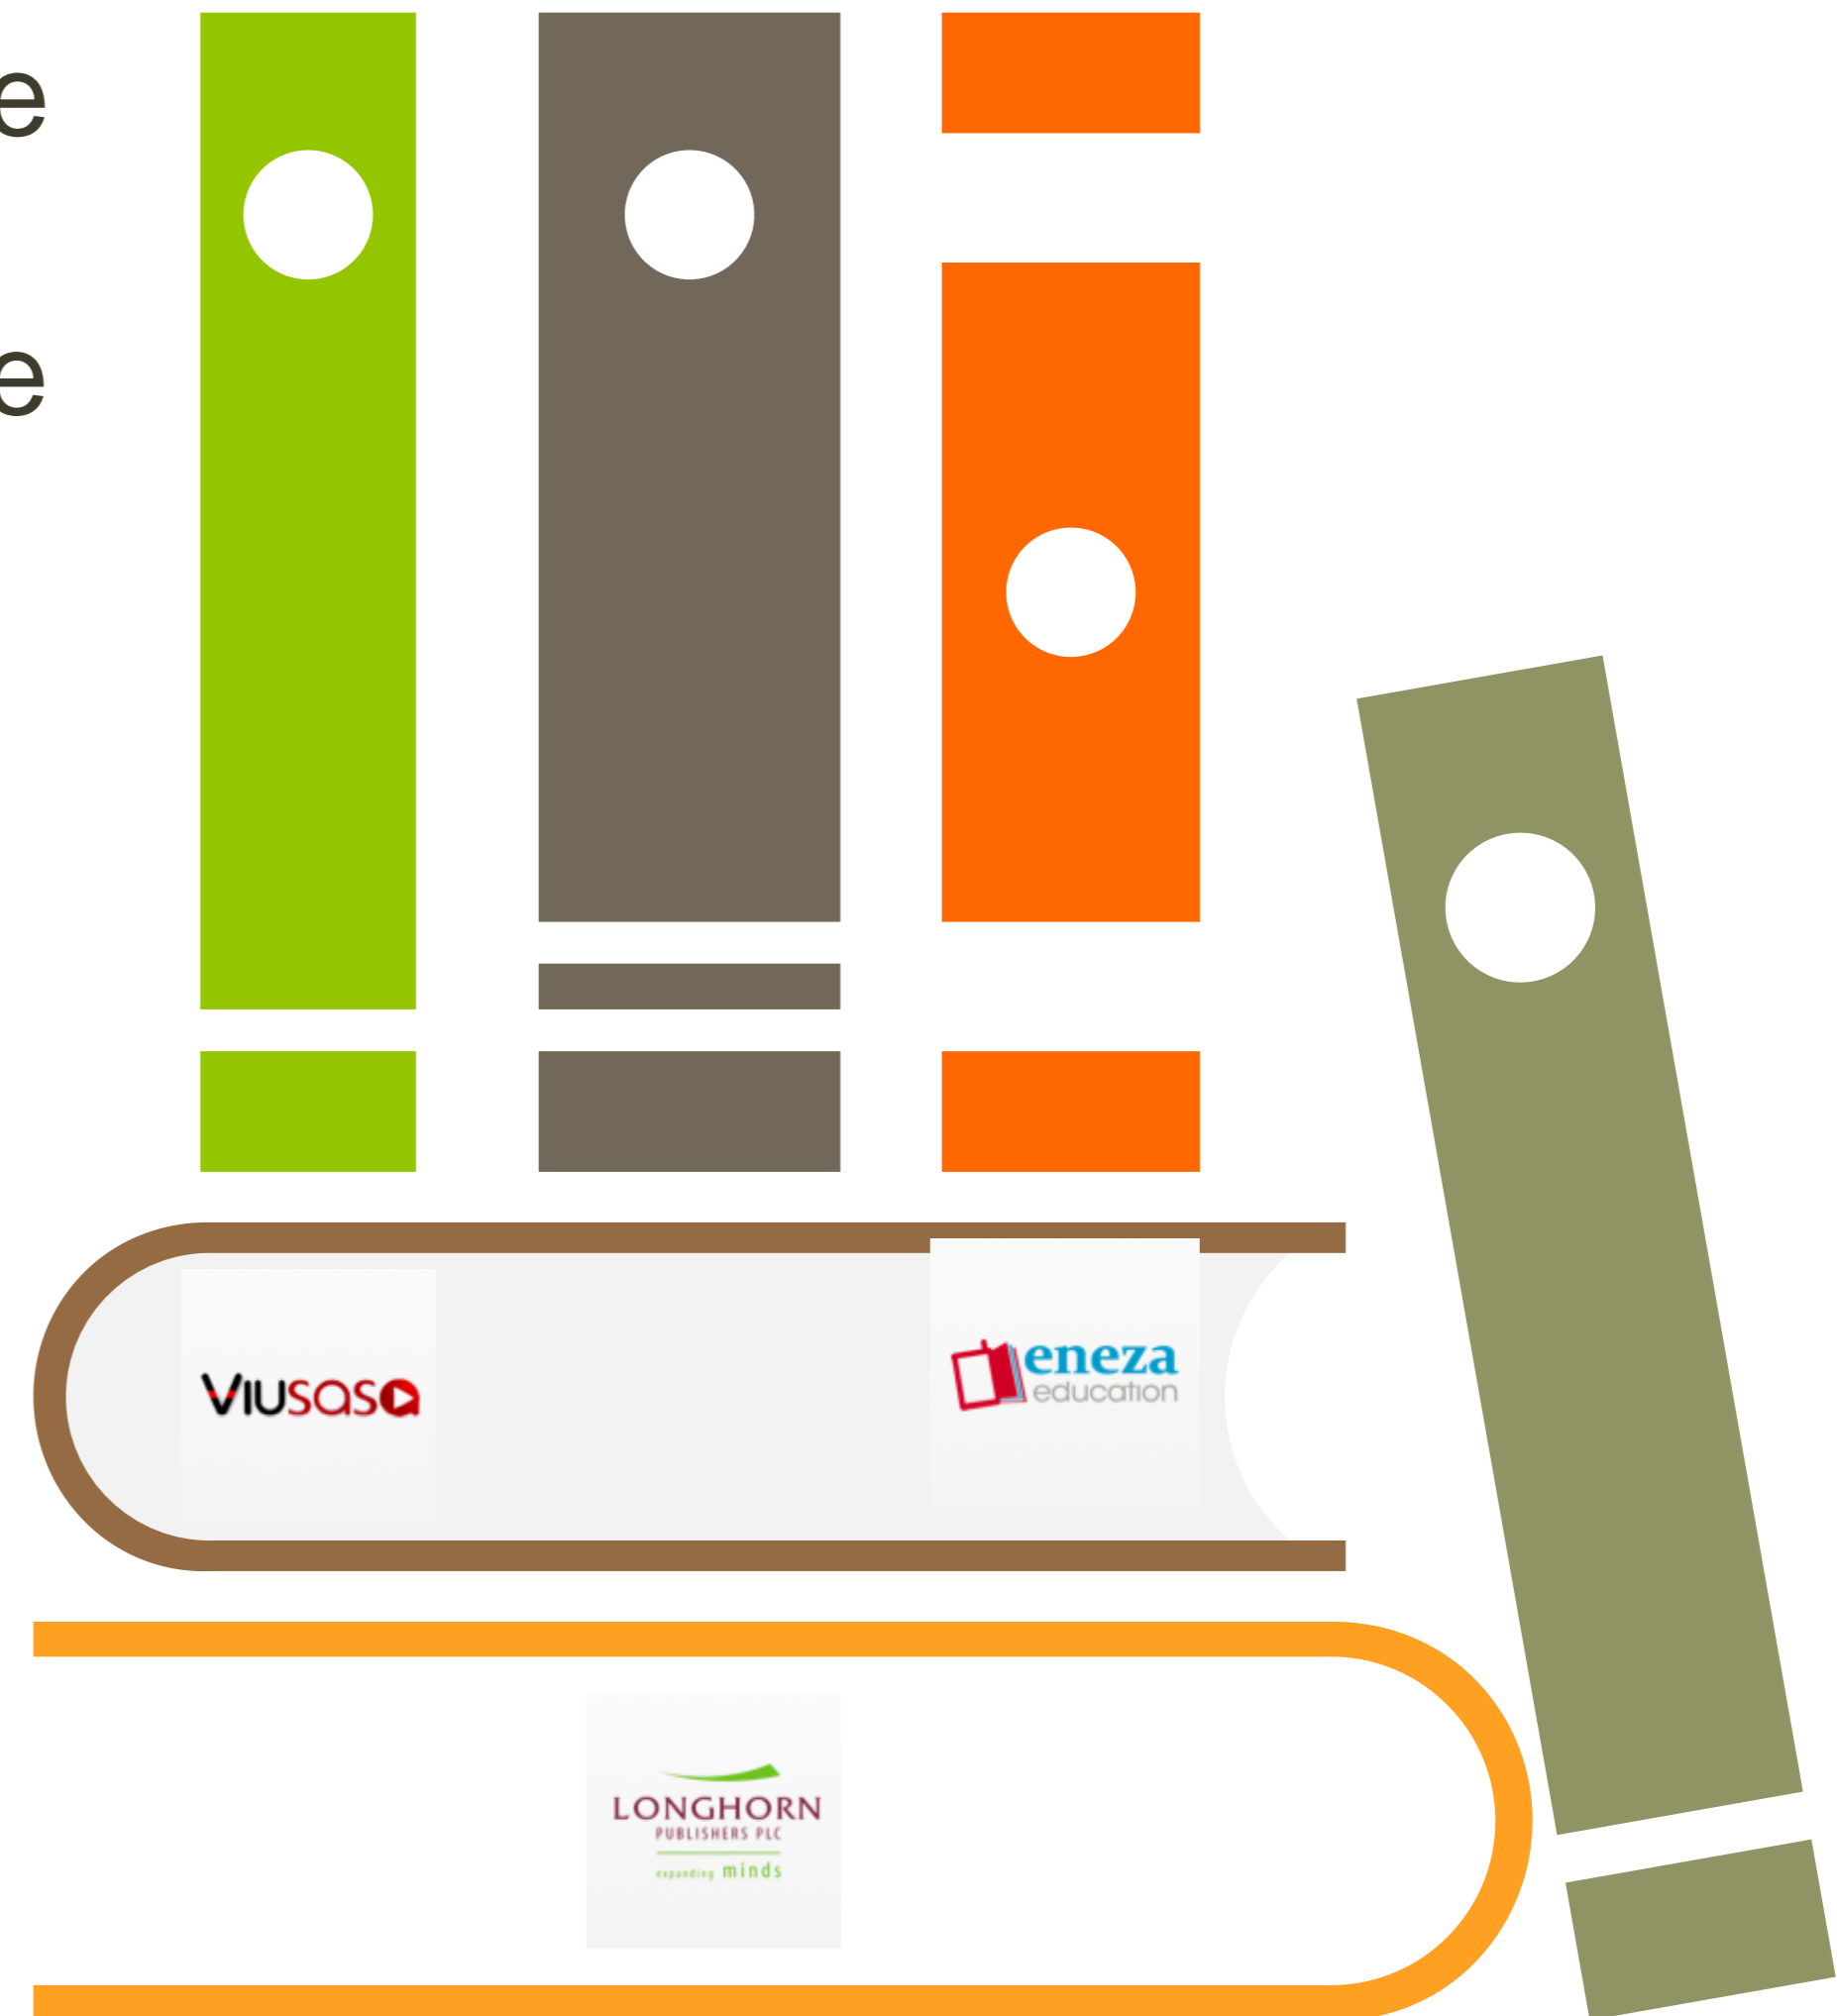

# Primary and High School Students

Get Free Access To Educational Content

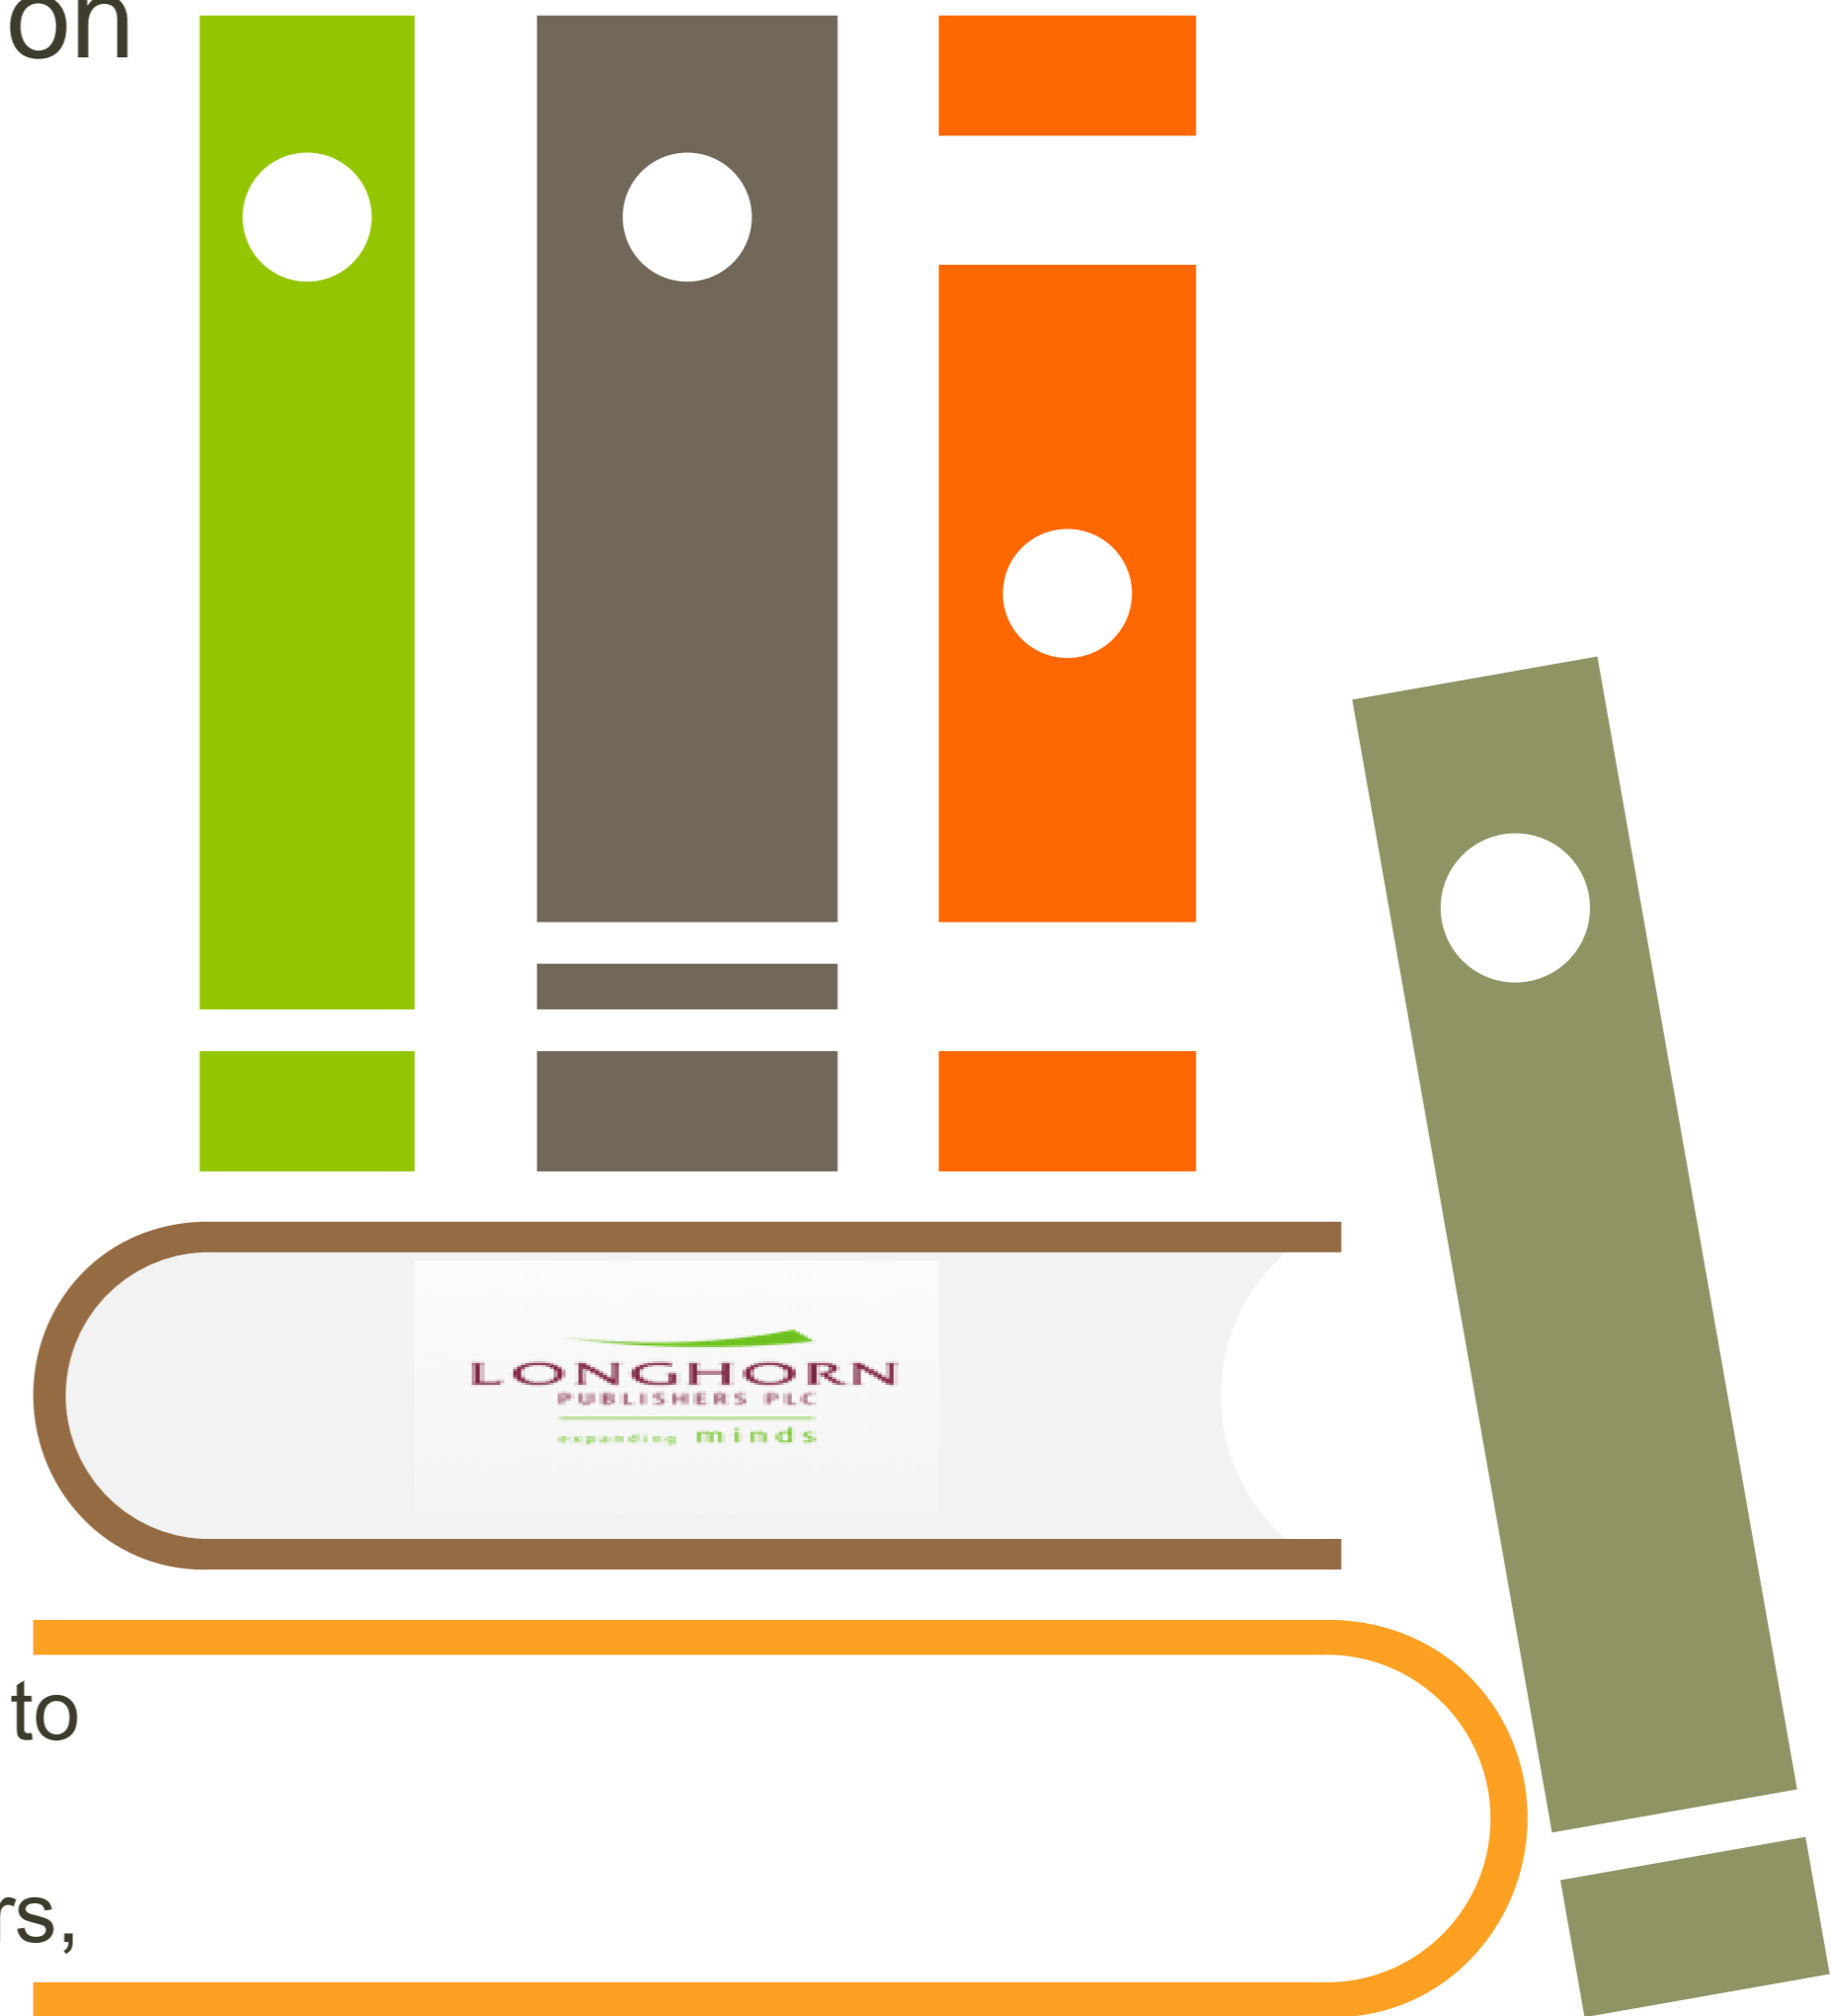

---

- ◆ Students from Grade 4 to Form 4 can access free learning materials from [Eneza Education](#), [Longhorn Publishers](#) and [Viusasa](#) while at home at no data cost up to 100MB per day.
- ◆ Click on the link to direct you for free Education Material  
<http://www.safaricom.com/elimu>
- ◆ Students who don't have access to smartphones and computers can benefit from The Eneza education platform, Shupavu 291 which is an SMS based platform. Access the content any time from any phone via USSD \*291# and the short code 20851

Airtel Kenya has partnered with Longhorn Publishers where the material can be accessed on by dialling USSD code \*864#, Android and Windows mobile platforms.

- ❖ Get access to Airtel broadband internet either using your mobile phone as a hotspot or an access point with Airtel SIM card.
- ❖ Don't necessarily need to have active data on your device, but mobile access must be enabled if you're using a mobile phone
- ❖ Head over to Longhorn e-learning portal here: <https://elearning.longhornpublishers.com/>
- ❖ You should be able to access the portal and perform various activities without data charges on the Airtel Kenya network.
- ❖ To access other e-learning portals on Airtel network, you'll need to purchase their crazy affordable amazing data bundles by dialling \*544#. You'll have an option of buying data valid for 24hrs, 7days, 30 days or 90days.

# KICD Educational Channel (EDU channel)

KENYA INSTITUTE OF CURRICULUM  
DEVELOPMENT  
MAY 2020 - EDU TV PROGRAMME

<https://kicd.ac.ke/wp-content/uploads/2020/05/TV-Timetable-01.pdf>

<https://lms.kec.ac.ke/>

The KICD Educational Channel (EDU channel) is the first ever digital education channel in Kenya. It enhances equality and access to quality educational content to Kenya and beyond hence unify society in terms of knowledge, national goals and entertainment. The Channel is used to disseminate curriculum and curriculum support materials.
